Are you up to the challenge? A SEPERATE TASK Your mission is simple: go back in time and detonate several bombs, by intercepting the leading citizens you encounter. You don't have a helper bot to do it for you, you're up to the challenge by yourself. PRECISION SHOOTING Holding the arrow keys you can aim your shots, you'll have to take advantage of weak points and hidden passages to progress through your mission. Use the environment to your advantage! PLAN THE MISSION NINJA like your life depends on it, since your mission is considered deadly and you can't complain. Kick some ass like a ninja and customize your character. DEATH BY INSTA-DEATH If your shot are weak or from far, your current weapon will fail and you'll be vulnerable to other attacks. CHALLENGES Every level has 2 challenges, which test your abilities to play in a specific play style, ranging from pacifist and ninja, to fast and cyborg. Rewards: What about this game have you never seen before? Find out for yourself : - "FLUSH OUT" EXCITING LEVEL editor - Collect items that can be used in game, unlock more levels, skins and other bonus stuff - Show of your skills to your friends via the online leaderboard - Rewards for every level completed - Gamepad support (PAL : ABXY) - Soundtrack composed by Kariakoo, available for 'Embedded Sound' owners - Groundbreaking Tech (seamless hand drawing) Welcome to the world of Robot Roller Derby. Your mission: to roll as hard as you can, gather flags, and defeat the other Skaters. - You can roll multiple times during the same turn - Each time you roll, the playfield will be'reset', so you can use your saved progress to jump across gaps or over enemies - You can also jump into the laser and bump into the adjacent Skater - You can roll into obstacles, but you're totally on your own to avoid the damage - Your weight's the same as everyone else's. If you don't want to feel like a heavy weight, you can always roll without weight - You don't have to activate the obstacles, so you can skip through them and jump over them - Have fun! :) Chaos in the Garden 2 is a

In this game, you have to either mine, buy, or craft the items you need to survive. Sound interesting? Find out more after the break.

Barrel Impression Playtime Have a look at this super shiny barrel. Wait! Now that I think about it, everything in this video is over 100 years old. That's right, this is an impression with the original barrel. With it's impressively shiny finish and the smile and head nods, it's easy to see this barrel is one of a kind. It was painted by the best at the time. A Group Of Friends To Help Me Out Hearing you guys cheering for us when we were working on these impressions was both amazing and flattering. I hope it meant something to you guys. I'm also very happy to see that the objects I used today for this impression are still out there for you to pick up. The details that have been put into these items is staggering. When these items were
